Grand Knight Address

Hello Brother Knights,
I hope that you all are having a blessed month of the Sacred

Heart! I am saddened to say that this is my last month as the Grand Knight as I will not be completing the traditional second term. With the birth of my second child, I will be unable to keep up the duties of the Grand Knight. I'm glad to be able to have served as the Grand Knight and wish the new officers good luck!

We have had a busy and successful fraternal year and I want to thank everyone for all your help with all of our programs! We have had more

than double the new members of previous years! We have also started a homeless care package program, conducted a maintenance program on the Remembrance Garden, began a program to reach out to those imprisoned, helped host a Valentine's day dance, had another successful peanut brittle sale, had a successful year visiting the homebound in retirement facilities, and helping maintain the St. Barbara's cemetery.

Volunteer opportunities:

Visiting the homebound in various retirement facilities on Tuesdays.

Funeral committee.

Visiting the imprisoned at the county jail and sharing your faith with them.

Standing near the entrances during the masses to help keep an eye on potential suspicious persons.

Membership Report

by Jeff Doyle

Jim Wood was born in Grants Pass in 1984. He attended Hidden Valley high school and there he met Erin Murphy. After graduation he joined the National Guard and served until 2010. He worked as an apprentice for a utility company and learned the ins and outs of supplying electric power.

In 2005 he married Erin and moved to the Albany area to work for Potel Co. Inc, a company that builds infrastructure for power companies. Currently Jim is project manager and supervisor at Potel.

Jim and Erin relocated to Salem where they are active members at Queen of Peace parish. They have five children ages 5-16 so

their everyday life can be hectic.

Erin works from home as a florist where she provides flower arrangements for all occasions. She also provides flower arrangements for the church, you may have noticed her work during Easter celebrations at Queen of Peace.

As a side job Jim is a health coach helping people get healthier with nutrition and exercise. He enjoys yard and building projects in his spare time.

Please welcome Jim to our fraternal order.
